Library News

Mask? ...Or not to Mask?

During the Covid years the Library has followed the provincial health orders, now with the move to the provincial Code Yellow we will continue this pattern.

Starting **March 1st**, the Library will no longer require proof of vaccination for our in-person programming: Babytime and our senior's, Circle of Friends.

March 15th will see the requirement of mandatory masks use move to optional. Still consider wearing a mask in the Library space when you cannot keep physically distanced. Additionally, if you are not feeling well, please make use of our CurbSide Service or choose to wear a mask while you visit.

We're excited to see your smiling faces!

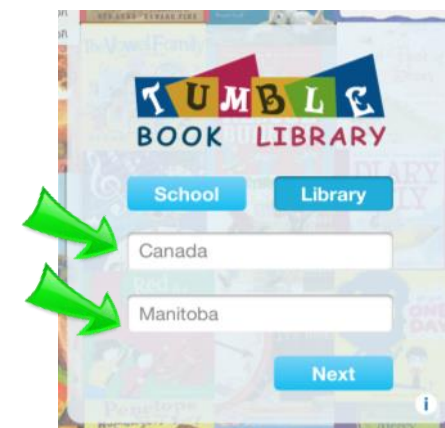

With your Library Card - access TumbleBookLibrary, an online collection of e-books for children.

Enjoy FREE unlimited streamed books right to your device. That encourages tech-savvy kids to enjoy reading! There are over 250 animated, talking picture books! The site also features Spanish and French books, read-along chapter books, non-fiction books and exciting games and puzzles!

Computer Access: Open your web browser and go to the Library website www.gfrrl.org. Click on the **My Card** page. Then select the Tumble Book option. That's it! Enjoy.

Tablet or Mobile Phone Access: Download the TumbleBooks App to your device through your App store. Fill in the information as shown in the photos below. Select Library, Canada, Manitoba, Gaynor Family Regional Library and enter in your Library Card number. Enjoy!

Circle of Friends

Join us as we welcome back our seniors programming starting **March 18th**.

Proof of vaccination is no longer required for this program. Mask use will be optional and the discretion of the attendees. For March 18th we welcome Lloyd Thomas & Harry McKay and Gerald Kuehl, writer/artist, on March 25th.

Looking forward to seeing everyone!
