From All Walks of Life by Julia Penny

Stories of Canadian Immigrants Told In Pencil and Pen

“‘From All Walks of Life’ is a celebration of the immigrants who settled in Canada and most of the subjects are Manitobans. Artist Julia Penny, listened to the stories her partner and his friends told of the area's residents and their struggles in a new land. She created 151 portraits and wrote their stories next to their portraits. Most of her subjects settled in the Winnipeg, Selkirk and Interlake area of Manitoba. You may find someone you know!”

Rising early, while all is quiet, Julia Penny creates in her studio every day. An early interest in drawing blossomed into a passion for painting, first in acrylics with her training in art school and as a graphic designer. Her subjects are portraits but really everything is a portrait to her... landscape, still life, faces and figures. Her work is in collections nationally and internationally.

Had a Great Fall - Book Launch

“Sergeant Roxanne Calloway should be on maternity leave for six more weeks--but when a body turns up in a sunflower field near her home in Manitoba's Interlake region, she can't resist the pull of duty. “

Raye Anderson calls Manitoba's Interlake home, where she is part of a thriving arts community. Her work has taken her across Canada, from the Pacific coast to the Atlantic coast, and as far north as Churchill and Yellowknife, as well as to the West Indies and her native Scotland.
