**Company Supply and Services**

*Plenty for General Trading LTD.*

# About us

- **Plenty LTD** is a leading full-service consulting and supply chain firm based in Erbil, Iraq, delivering comprehensive solutions for both international and local clients across various industries, including oil and gas, food, and general business. Our company is dedicated to setting a high standard by providing innovative, efficient, and effective services tailored to meet each client's unique needs.
- We offer a full suite of services, including procurement consulting, supply chain management, corporate establishment, tendering and contracting, project logistics, electrical equipment services, and compliance. In the food industry, we provide specialized procurement and logistics services to ensure quality and compliance across the supply chain, enabling clients to maintain standards while reducing costs and operational complexities. Our goal is to help clients streamline their processes, minimize administrative overhead, and stay focused on their core business activities.
