

January: Supervisor's Thoughts

Hello Rose Residents, hard to believe we are almost half way through January already. My intentions are to write up a blog for each month going forward. Expressing my thoughts, Town Board tasks, Community events and anything that needs to be shared with the residents of Rose. I cannot promise a set date for publications every month, but I will give a monthly write up to keep everyone up to date to the best of my ability.

The Town of Rose Board had it's organizational meeting and the board is ready for a new year. 2026 is going to be a year to remember with so many events to celebrate. The Rose Bicentennial starts in April and continues into November. I am honored and grateful to be the Rose Supervisor during these special celebrations. I am really excited and looking forward to these events, getting to be a first-hand witness to the unity in our community. Please see event line ups on our website or talk to your local historian for more information. It's going to be a blast.

The first part of this month, I have been very busy getting acquainted with my responsibilities for our Town and the expectations as a Wayne County Legislator. There is a lot to digest and get familiar with. Please bear with me. I will be leading my first Town of Rose Board meeting January 20th and we have a lot I want to focus on for this year. I also want to keep the promises I made campaigning. It will not be easy at all, there are going to be hurdles and situations to overcome, but I am up for the challenge and will give it my all. I have office hours (9:30 to 3:00) but again I have expectations to the county and have to step away for those tasks. Always feel free to call the Town Hall and leave a message and I will respond. E-mailing works too. If the Supervisors door is open, please stop in and let's have a conversation. I appreciate your time.

Thank you Sincerely-

Christine Rice

Supervisor for the Town of Rose
