Congratulations to GATE Precast for the outstanding recognition of their work for 2020!

The Hillsboro, TX plant was responsible for manufacturing the components for the award-winning Dickies Arena Parking Structure in Fort Worth!

We're proud of them and the excellence of their operation. We love sharing good news about our member businesses, so if you had something fantastic happen recently, be sure to let us know!

We want to shout it from the rooftop...or from the parking structure!!

The hallmark of any successful company is its ability to improve, excel and innovate. In 2020, the Precast/Prestressed Concrete Institute presented GATE Precast with an unprecedented seven project awards in recognition of its ability to consistently push the precast concrete envelope. Dickies Arena Parking Garage in Fort Worth was one such project, honored as the Best Parking Structure (Façade Only). The six-level, 2,200-car parking garage, constructed by Beck Group & designed by David M. Schwarz Architects & HKS Architects, serves as a premium seat-holder amenity for Dickie's 14,000-seat multi-purpose arena and is part of a long-term master plan for Fort Worth's 80-plus-year-old Memorial Center. The design of the arena and parking garage ingeniously embraces the Art Deco aesthetic of buildings in the area.

January is Human Trafficking Awareness month. On **January 30**, the Boys & Girls Club will be hosting our Heart of Texas Human Trafficking Coalition's annual "Not In My City" event. We need your help. Would you be willing to volunteer a couple of hours on Saturday? Bring your kids, roommate, family, and friends for meaningful volunteering. (Qualifies for community service hours.)

For residents of Hill County, we will meet at First United Methodist Church, 315 E. Elm St, at 1:00. After a brief training, we will pair up in groups of 2-4 and go to area businesses to distribute our Not In My City posters. Awareness saves lives.

Here is a sample of the poster we will post throughout Hill County and the link to register for the event: <https://www.hothtc.org/notinmycity>

(All volunteers need to register so we can organize materials for distribution.)

Refreshments will be available.

NOT IN MY CITY.

NOW HIRING!

The Hillsboro Chamber of Commerce is continually seeking new ways to serve our members. Recently, we have received several requests to help promote job openings in our area. One way we have come up with is to add a "Now Hiring" section to our weekly newsletter. If your organization would like us to promote any open job opportunities you may have, please let me know so that I can include it in our newsletter. You can send the information via email to memberservices@gmail.com or call 254-582-2481 to provide the information.

Submissions must be received by Wednesdays at noon to be included in that week's newsletter. Anything received after that time will be carried over to the following week's publication. In addition to listing jobs in the newsletter, we will also promote the open positions on our social media outlets and webpage. If you have any questions or others ideas to help promote the quality employment opportunities in our area, please don't hesitate to reach out to us. Thank you for all you do for our community.
