WATER IS WONDERFUL!

Color Sienna, the clouds, and the raindrops.

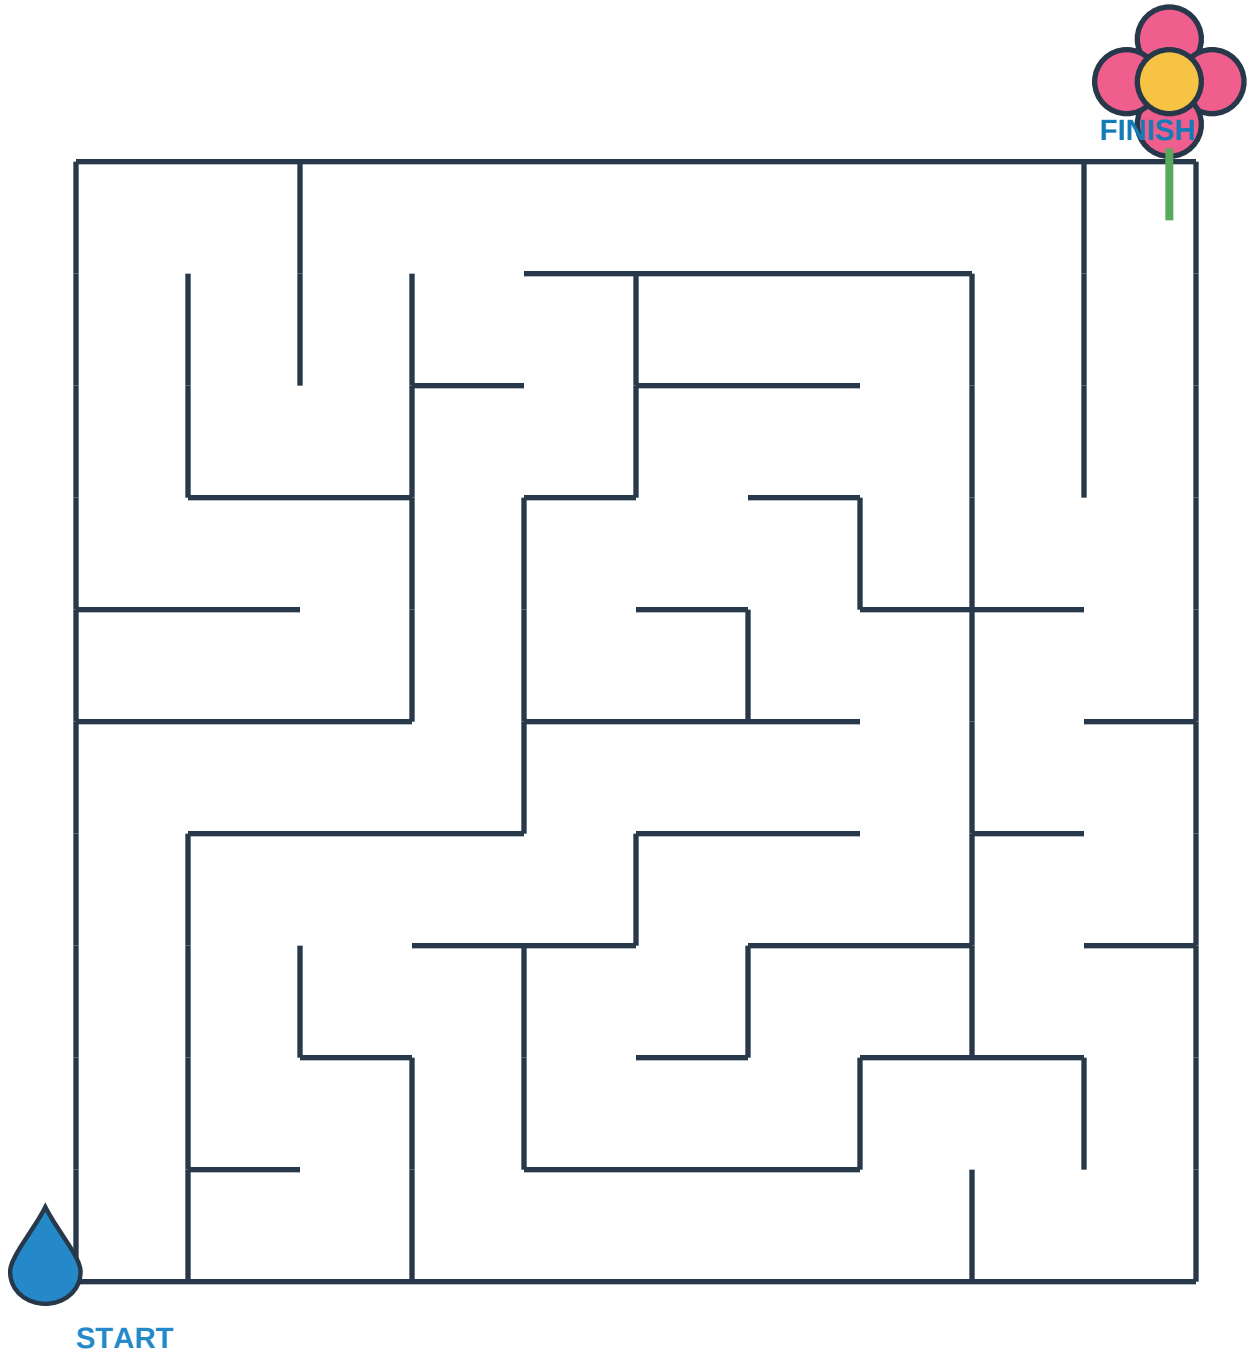

Water helps people, plants, and animals!

HELP THE RAINDROP!

Draw a path through the maze to the flower.

MY WATER SAVER PROMISE

I can help protect our wonderful water!

I will turn off the faucet while brushing.

I will use only the water I need.

I will tell a grown-up about a dripping faucet.

I will keep trash out of rivers and oceans.

I will remember that every drop matters.
