RE: Notification to Parents, Guardians, and Students

Tucson Preparatory School is scheduled to reopen 8/17/2020. Students will be given access to an array of learning tools that will allow them to succeed during this time of COVID-19. Teachers have spent substantial time and effort in developing learning plans that will give all students the same educational opportunities that they would receive during traditional in-person classes.

Tucson Preparatory School's Distance Learning Plan (DLP) is posted on www.tucsonprepschool.org and available in hard copy form at Tucson Preparatory School. This plan extensively details the distance learning opportunities that you or your student will be receiving.

The Corona Virus Mitigation Plan is posted on www.tucsonprepschool.org and available in hard copy form at Tucson Preparatory School. This plan details the procedures the school will utilize to help stop the spread of COVID-19.

The Mask Policy is posted on www.tucsonprepschool.org and available in hard copy form at Tucson Preparatory School. This policy details the requirements of students, staff, and visitors to wear masks while on school grounds.

In accordance with Executive Order 2020-51, Tucson Preparatory School will offer free on-site learning to students that have no place to go during the day. Instruction and support services will be available starting 8/17/2020 during traditional school hours 8:30 AM – 3:00 PM.

Social Emotional Support will be offered to all students in need. This includes providing developmentally appropriate strategies for understanding and regulating emotions and practicing self-care, guiding families on how to create supportive home environments, and fostering an overarching commitment to creating connectedness across physical distance. Tucson Preparatory School's resources include (but are not limited to) mentoring, student advocates, agency referrals, and suicide prevention.
