## **School Improvement**

**Arizona Revised Statutes § 15-241 requires the Arizona Department of Education to develop an annual achievement profile for every public school in the state based on an A through F scale. The system measures year to year student academic growth, proficiency on English language arts, math and science, the proficiency and academic growth of English language learners, indicators that an elementary student is ready for success in high school and that high school students are ready to succeed in a career or higher education and high school graduation rates.**
