

2019-2020 proved to be an exciting and frustrating year. Due to Covid we were not able to have our show in April 2020 or our scheduled Nationals in June 2020 so we had to switch some things around. All in all it was a good year.

Coweta 4-H Chicks In Chaps certainly were a determined team to win this year and win they did. They won our ***State Championship, Regional Championship, National Championship, Overall Division Winner in Youth/4-H and Open. Their Coach, Chris Glover, also won our first Coach of the Year Award.*** I know this was an exciting and bittersweet year for them, as this was Chris's last year coaching and several girls graduated and will start college. We want to give them a huge ***Congratulations*** again for the 2019-2020 SEMDTA season.
