PROJECT MANAGEMENT • LOGISTICS & PROCUREMENT  
AMBIENT TECHNOLOGY • GENERAL CONTRACTING

Elephant and Castle Limited provides a host of project based services to individuals and SMEs in both residential and commercial spaces.

Leveraging our team's expertise and professionalism, we deliver projects pinned on quality and client satisfaction.

# WHO WE ARE

Elephant and Castle Limited adheres to a 'Total Quality Management' system in the execution of our duties, and the performance of our operations.

Our Services include:

- Ambient Technology
- Logistics & Procurement
- Project Management
- General Contracting

# WHAT WE DO

Elephant and Castle designs & installs audio/visual/network controlled systems for residential & commercial settings. Our specialties include:

- Audio & Public Address Systems
- Audio/ Visual IT Networking
- Digital Signage & Menu Boards
- Projectors & Screen Systems
- CCTV Systems

# AMBIENT TECHNOLOGY

Elephant and Castle's approach to logistics & procurement is designed to minimise the impacts of fraud & wastage, as we:

- Identify/ Evaluate Suppliers
- Arrange Transportation
- Identify/ Develop Strategies for Logistical Barriers
- Monitor/ Log Material and Resource Use

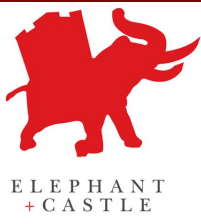

# LOGISTICS & PROCUREMENT

Elephant and Castle is the ideal partner to provide assistance in the planning, management & execution of projects.

Our PMP certified team is trained to effectively redirect scarce resources, and bring projects to a satisfactory close.

## PROJECT MANAGEMENT

Elephant and Castle is able to acutely manage & perform all aspects of construction work, while upholding the architectural integrity of each project.

Whether it be renovations or new build sites, our team performs petty contracting works, and general contracting services as needed.

## GENERAL CONTRACTING

# OUR INTERNAL CAPACITY

---

## COMMITMENT TO QUALITY RECRUITMENT

Our growth is spurred by our acquisition of knowledgeable employees, holding the requisite degrees and certifications, each with an impeccable work ethic.

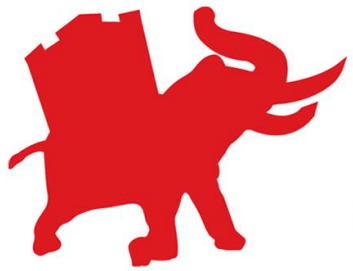

## KEY PERSONNEL

Scope by project may change, however our core team remains in tact, ensuring that quality and service standards are upheld and are reflective of the company's mission.

## ORGANISATIONAL CHART

Designed to ensure the efficient dissemination of information, and provide clear lines of ownership and escalation in relation to project oversight.
