Covid-19 Safety Guidelines

1. **Physical Distancing and Updated Seating Arrangements:** Tables and chairs have been rearranged for maximum physical distancing. We will space out students to sit as far from each other as possible.
2. **Hand Washing and Sanitizing:** Students will be required to sanitize their hands before class with hand washing and/or hand sanitizer.
3. **Limiting Waiting Room Capacity:** Parents/Adults will not be allowed to remain in the waiting room for the duration of the class to reduce exposure/contact. Please drop your kids at the front door and we will guide them to their class. Please wait outside the studio to pick up your child. We will dismiss the student one by one when we see you outside the studio.
4. **Sick Policy:** Students and staff cannot come into the studio if they are sick and/or have been exposed to individuals with Covid-19 fourteen days prior to their class/workshop.
