Client Agreement

Client Name: _____

This agreement, between coach, **Denise Connell**, and the above-named client, will begin on the first agreed session date, TBD, and will continue for the duration of the agreed services.

The services to be provided by the coach to the client are coaching & consulting, as designed jointly with the client. Coaching, which is not advice, therapy, or counseling, may address understanding your unique strengths, your dreams, passions & purpose, and all aspects that enable living a more meaningful and fulfilling life. Coaching can include the scope of a specific personal project(s), business successes, spirituality, or general conditions in the client's life or profession.

Upon completion of agreed program of services, coaching will convert to a month-to-month, or session-to-session basis, depending on the client's desires and/or needs at that time. The client and coach agree to provide each other with notice in the event either one wishes to cancel further services.

For the monthly coaching packages please note that the monthly fee is calculated based on an average of four weeks per month, meeting 1/week at an agreed upon time.

The coach promises the client that all information provided to the coach will be kept strictly confidential.

Throughout the working relationship, the coach will engage in direct and personal conversations. The client can count on the coach to be honest and straightforward in asking questions and making requests. The client understands that the power of the coaching relationship can be granted only by the client, and the client agrees to do just that: *have the coaching relationship be powerful*. If the client believes the coaching is not working as desired, the client will communicate that belief and take action to return the power to the coaching relationship.

Our signatures on this agreement indicate full understanding of and agreement with the information outlined above.
