

Bend Bowmen Meeting Minutes
May 2, 2022

In Attendance: Rob Dewitt, Tom Powell, Bob Watters, Lenny Farris, Scott Foster, Zack Thorn, Molly Andrew, Burt Andrew, Brad Stevens, Lacie Porter (phone) Members: Karen Demaris

Outdoor Report: Zack is stepping down as VP of Outdoor, family obligations. Need to find a replacement ASAP! Super Shoot: Location not secured. Super Shoot possibly downsized to a fun shoot for 2022, back in full swing in 2023 (hopefully at Ogden). Plans to get everything secured by the time Shoot Cards go out next year. Karen has offered to work with us to secure Ogden and find sponsors for shoot/money dots. Super Shoot/Fun Shoot 2022 will hopefully have answers next week if it's possible. Ogden Group Camp is already reserved for us, just need approval from Forest Service to hold a fun shoot.

Indoor Report: 3D night still going on Thursdays. Will end when school's out for Summer. Request to close the range in May or June for S3DA coach training. Craig coming up from Paisley to train coaches here. Hoping to have the kids program start back up.

Traditional Report: Lenny is stepping down/retiring! Thanks for all your years supporting Bend Bowmen!

Membership: New memberships from Central Cascades and Top Pin need to be picked up and processed. Memberships that were won at Ice Out need to have info added to the membership spreadsheet.

Communications Report: 2022 ballots went out on 5/1/22 via e-mail. Poll closes on 5/30/22. Jot Form is working well for pre-registrations/voting. New e-mails to be built for each position on the board and posted to the website. Need to update website to specify that we don't offer classes/lessons.

Editor Report: Newsletter to start back up with bi-monthly mailings. Tom to send to Molly to send out via email/post to Facebook. No paper copies at this time.

Other business: Ideas on how to get more people involved in Bend Bowmen. More indoor shoots, Turkey Shoots for both Thanksgiving and Christmas were discussed. Karen suggested holding a kids booth at the 4th of July event in LaPine. More outdoor events also discussed.

Talking to Sisters Ranger District and Ochoco Ranger District. They need 90 day notice in advance for the shoots.

Fundraiser to Paint the Range was discussed. We have members willing to help paint and provide equipment, need donations for paint.

Door to the range has been fixed and re-programmed. Lift box installed to keep the heat off the keypad.

Next Meeting 6/6/22 at the Indoor Range, 6:00pm
