Crossing  
Countermeasures for  
Distracted Driving  
Hero

*"The position of School Crossing Guard has become one of the most dangerous occupations in local government.*

*Over the last decade, the accident rate for crossing guards has increased by about 65%.*

*Numerous crossing guards are seriously injured or killed at their posts each year while protecting our children."*

*-The Mel Safety Institute reports*

**Crossing Guard is the #5  
Most dangerous job in the  
U.S.**

*11.5 times more  
dangerous than the  
average job nationwide.*

Florida-based small business, our signs are proudly  
designed and built in Osceola County.
