Agenda

Franklin County Noxious Weed Control Board Meeting Monday July 13, 2026

LOCATION: 502 Boeing St Pasco, WA

OLD BUSINESS

Call to order at 7:00 p.m.

Review and approve minutes of June 8, 2026, meeting

Monthly Financial – Review of the Treasurers Report

Meetings & Events – Aaron Carter meeting in Connell

NEW BUSINESS

CO Road – We are working on spraying Kochia along county roads. We are trying some different combinations of herbicides that are not so heat sensitive or volatile. We still have about \$5000 available from Public Works.

Jerry Ellis – We did some additional test plots with the mixes that Jerry had outlined for us to try as well as adding in a new product from Helena called Full Deck. The purpose for additional trials was to see what kind of performance we get on more stressed Kochia. The first trials pretty much everything is dead.

State Parks – We have finished State Parks applications. We have billed Washington State Parks in the amount of \$30,075.46 for spraying in and around State Parks property.

Bonneville Power Administration- We have received payments from BPA for our annual survey and spray program \$13,026.60 as well as our Benton Scootney line follow up \$2634.53. Additionally, I have sent our work plan for 2027,2028,2029 annual contract.

Weed board – We have been working on spraying Scotch Thistle and Yellow Star thistle in the Eltopia area as well as some scattered areas block 17 and Bureau of Reclamation. Also receiving some phone calls and emails from people with weed problems and complaints.
