From the Commander Forget-Me-Not Drive:

Greetings Comrades. Our Forget-Me-Not Drive has kicked off. The Forget-Me-Not Drive helps our indigent and less fortunate Veterans, especially during these hard economic times. All donations collected are spent on programs supporting needy veterans throughout the year in El Paso. Please be generous in supporting our efforts to continue this extremely helpful program for those Veterans that are less fortunate than ourselves. Many, many thanks to those of you that have so graciously dedicated yourselves to helping out this great cause.

Adjutant's Corner:

As we kick off our Forget-Me-Not Drive I would like to personally invite you to not only consider a monetary donation, but most importantly, consider donating your time. There are many ways in which you can contribute and make a tremendous impact on the lives of our brothers and sisters in need. Being active with your local DAV Chapter can help extend the services that these chapters provide to those in need. We at DAV Chapter 165 welcome all those that would like to serve, please consider joining us at our monthly meetings to see how you can become an active contributor in our community.

Service Officer's Corner:

For Veterans enrolled in the VA Health Care System, getting a flu shot at Walgreens is easy:

Step 2. Bring the completed form, your VA ID Card and a photo ID to your neighborhood Walgreens location

Step 3. Walgreens will automatically update your VA Electronic Health Record in the VA Health Care System

Patients will also be asked to complete a vaccine consent form at time of service.
