# Annual Report

# Y2023

## **THE LAUNCH OF A PASSION DRIVEN MISSION**

---

**Our first outreach began on October 27th, 2023, and has been consistent to occur every Friday in Milwaukee, WI. Our mission is new, but effective. This annual report shows effectiveness in a span of only 10 weeks, with forecasted growth for 2024.**

**We are humbled and moved by the contributions and support from the Milwaukee community, which are the sole source we've operated from. Thank you for blessing and trusting us to funnel the blessings of food, clothing, hygiene, elemental protection, and resource materials to our displaced communities.**

**We hope to build relationships with more local community heroes so we can share resources and work together.**

# About Ministreets Christian Urban Outreach Mission

## MISSION

---

**At Ministreets Christian Urban Outreach Mission Inc., our mission is to love God, and love people, through prayer and action. With provision, resources, and encouragement, we are blessed to supply comfort while the Lord fulfills plans for hope and a future.**

## VISION

---

**We will seek out the hungry as Jesus did for us, we meet their immediate needs, and build true relationships with them. Walking alongside them in their process, with the transforming power of Jesus Christ, we make available life-changing resources for those experiencing homelessness, hunger, addiction, or abuse. We share the gospel to those who are willing to hear it, and give our lives to the homeless and poor, because we know that God can make complete life changes for those who put their trust in Him.**
