ABOUT US

SLEDSTUDIO is a UK tailor-made school management information system for school leaders and office staff which provides the tools needed to efficiently manage the school life. It is efficient, secure, easy to use and saves everybody valuable time so that schools can focus on improving the quality of teaching and learning.

Through utilising the solutions Sled Studio has to offer, data can be accessed, managed and shared easily and securely throughout the school, promoting efficient practices, all through the user-friendly and intuitive interface.

Sled Studio can be accessed from anywhere in the world and on any device with an internet connection. It is a cloud-native, software as a service (SaaS) and works in a browser – no need to install anything on your computer!

Whether you are a small school or a large school group, Sled Studio is the perfect solution for you as it is infinitely scalable and modular, so you get a tailored solution just for the needs of your school! MAKE IT YOUR OWN!

We cooperate with independent and international schools and at the moment offer the following professional solutions.

MODULES

CENTRAL REGISTER

Securely save and store all student, staff and parent data in one place and create, export and print filtered lists in seconds

ATTENDANCE

Track and report student attendance with ease – school hours or after school activities

NOTIFICATIONS

Enables school leaders and teachers to send group and individual announcements and messages to students and parents in a safe environment

PERFORMANCE TRACKER & REPORTS

UK National, Cambridge International, IB or other curriculum – Monitor your students' progress, analyse attainment, inform & report to others, create tailor-made informative and meaningful reports

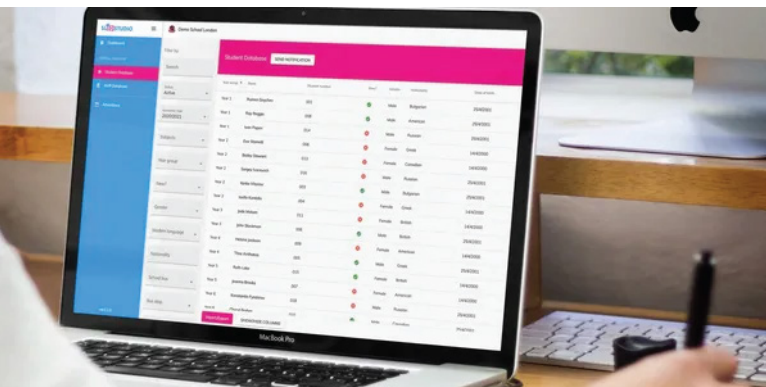

EVENTS

Enter and share important events with selected groups: management, parents, students, staff, etc. You decide who gets the access to which calendar or specific event or meeting.

CENTRAL REGISTER

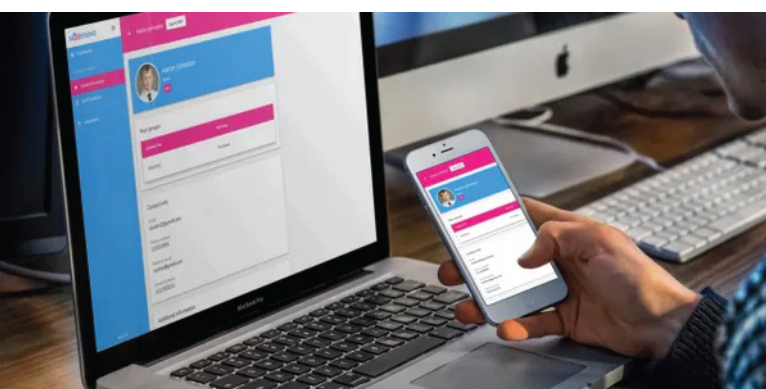

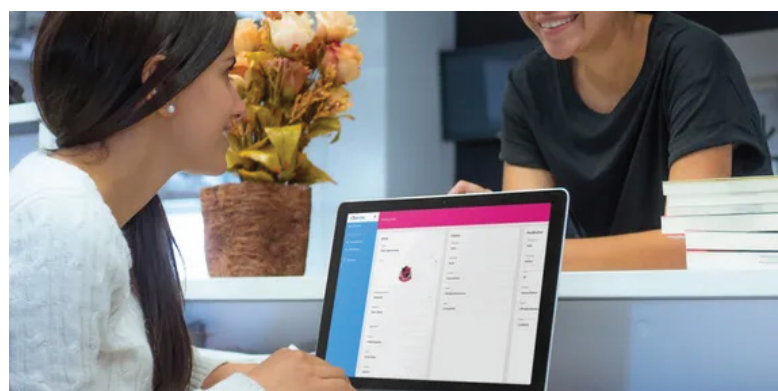

STUDENT, STAFF AND PARENT DATABASE

Securely save and store all student and staff data in one place and create, export and print filtered lists in seconds. Export in PDF with the school logo or Excel within seconds!

SCHOOL PROFILE

Central place to save the general school information such as the name, logo, address and then it appears everywhere you need it, on all generated PDFs and reports. Independent and international schools need an MIS flexible enough that can be built around your specific terminology and characteristics.

INDIVIDUAL STUDENT AND STAFF PROFILES

The system allows you to see all student and staff individual details in one place, just like their own CV! You can share and export this data as PDF easily but securely! This is where you store key information including contact details, addresses, phone numbers, emails, photographs, and more. There is also access to the more sensitive, personal data including the student's medical information and learning support records.

For staff the data includes the identity checks, DBS, qualifications, references, etc.

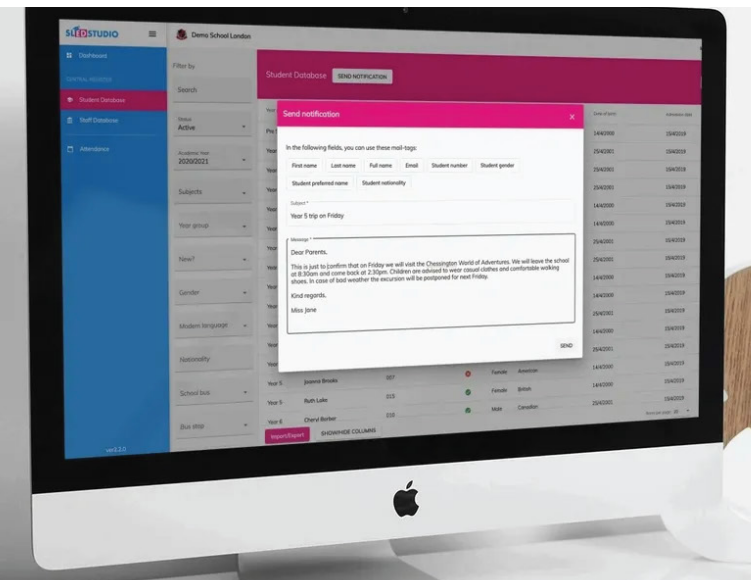

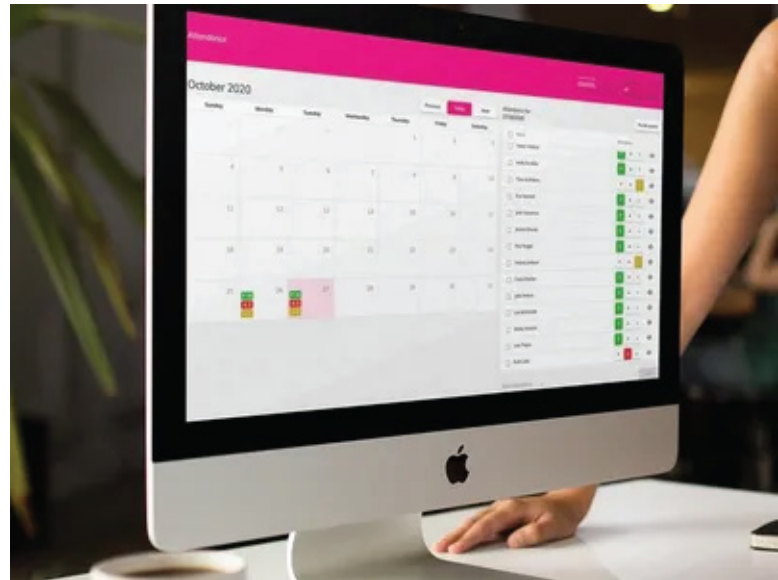

ATTENDANCE & NOTIFICATIONS

ATTENDANCE TRACKER

Track and report student attendance with ease – school hours or after school activities.

Students can be recorded as present, absent or late.

An auto-calculated dashboard gives you attendance summary based on the entire school, individual year groups, subjects and even students.

NOTIFICATIONS

Gain control of all your internal and external communications through Sled Studio and send targeted messages to students, parents, teachers and associated contacts from one centrally managed module in a safe environment.

PERFORMANCE TRACKER & REPORTS

PERFORMANCE TRACKER

UK National, Cambridge International, IB or other curriculum – Record, update and monitor your students' progress, analyse attainment, inform & report to others. The system is intuitive and easy to use with modern layout and minimum clicks needed.

REPORTS

Export tailor-made informative and meaningful PDF report cards which can be easily sent to parents. There is an option to add an approval process before reports can be released.

ACCESS FOR PARENTS

The parents have separate logins for their own area where they can monitor their children's academic progress in real time. This saves valuable time and enables everybody to stay on top of the children's current needs, be it more challenge or work on weaknesses.

OUR PARTNERS

The SLEDSTUDIO logo, featuring a blue graduation cap icon above the word 'SLED' in blue and 'STUDIO' in blue, with a pink square separating the two words.
