# Welcome to the JaBaT Family

Welcome to JaBaT Dance Inc — we are thrilled to have you join our dance community!

JaBaT is a not-for-profit dance school based in Port Hedland, proudly run by a dedicated committee of volunteer parents and community members. For over 25 years, we have provided high-quality dance education, supporting students to grow as dancers and confident, capable young people.

Whether you are new or returning, we aim to provide a welcoming, nurturing, and inspiring environment where every dancer feels supported and valued.

# Our Mission

At JaBaT Dance Inc., our mission is to inspire and empower individuals of all ages, backgrounds, and abilities through the transformative power of dance.

We are committed to providing a nurturing environment where everyone feels like part of a supportive, extended family.

Our goal is not only to teach dance but to cultivate a sense of belonging, self-worth, and personal growth. We strive to create a space that feels like home — where dancers can freely express themselves, connect with others, and explore their artistic potential.

Dance is more than an art form; it builds confidence, resilience, and lifelong friendships. Every dancer is seen, heard, and valued, whether they dance for fun, confidence, or performance excellence.
