Radical Godly Stewardship

How to use this Journal

Here's a guide on how you can use this journal

- **Date:** Start each entry with the date, allowing you to track your entries and organize them chronologically.
- **Asset:** Write down the asset you want to focus on for the day. It can be a physical, financial, intellectual, spiritual, or relational asset.
- **Surrender Tracker:** Evaluate how much you have surrendered this asset to God.
- **Acknowledging God's Ownership:** Write a prayer acknowledging that the asset belongs to God. Ask for forgiveness if you've not surrendered it fully to God in the past.
- **Reflection & Gratitude:** Write down how this asset has been a blessing to you. Express gratitude to God for the asset.
- **Surrender & Stewardship:** Write a commitment to God about how you will steward this asset. How will you use it to bless others. Seek His wisdom in how you will align this asset for use in His Kingdom.
- **General Guidance:** Conclude your journal entry by asking God for on your stewardship journey
- **Pray the scriptures:** This is not a section. It is just a reminder to pray the scriptures. Wherever possible, add scriptures that support your prayers.
