

7 Steps to Radical

A GUIDE

Godly Stewardship

Stop Begging God for Money
by
Lexi Johnson

INTRODUCTION

In the Kingdom of our God, Yahuah, financial success is not a matter of prayer alone; it's about radical stewardship. Too often, Kingdom Citizens beg God for financial breakthroughs while ignoring the practical steps required to produce, multiply, dominate and then transfer wealth. This guide will take you through 7 steps that align your mindset and actions with Kingdom principles to ensure financial prosperity.

TRANSFORM YOUR THINKING

Step 1

Scriptural Reference: Romans 12:2 (NLT) – "Don't copy the behavior and customs of this world, but let God transform you into a new person by changing the way you think. Then you will learn to know Yahuah's will for you, which is good and pleasing and perfect."

Your mindset is the foundation of radical financial stewardship. You must stop viewing money as something to be chased and start seeing it as a tool for advancing the Kingdom. Money isn't your master; it's your servant. The shift begins when you believe that Yahuah has given you everything you need to prosper, and it's your responsibility to steward it well.

BRING ORDER

Step 2

Scriptural Reference: 1 Corinthians 14:40 (NLT) – "But be sure that everything is done properly and in order."

Before you can steward your finances, you need to know where your money is going. Organize your income, expenses, debts, and investments. This isn't just about bookkeeping—it's about having the clarity to operate in financial dominion. How can you multiply what you don't manage? If Yahuah is a God of order, so must your finances be.

Action Step:

Use a financial spreadsheet or app to track your income, debts, and spending for 30 days.

ALLOCATE KINGDOM ALIGNED CATEGORIES

Step 3

Scriptural Reference: Proverbs 21:5 (NLT) – "Good planning and hard work lead to prosperity, but hasty shortcuts lead to poverty."

Radical stewardship requires allocation in four key areas:

1. Household Expenses (Needs): Cover the essentials like housing, food, and utilities.
2. Multiplication (Savings & Investments): This is where your money grows. We'll dig deeper into this in Step 5.
3. Discretionary (Wants): Set limits for things you enjoy—this isn't where the bulk of your money should go.
4. Giving (Ministry & Generosity): Giving to ministries, charities, and individuals in need is a Kingdom priority.

Action Step:

Create a plan for how much of your monthly income will be allocated to each of these areas.

SET BOUNDARIES
BUDGET WITHIN YOUR ALLOCATIONS

Step 4

Scriptural Reference: Luke 14:28 (NLT) – "But don't begin until you count the cost. For who would begin construction of a building without first calculating the cost to see if there is enough money to finish it?"

Once you've allocated your income, create a budget to ensure you stick to those allocations. Budgeting is not about restriction—it's about freedom. When you know your financial boundaries, you can confidently make decisions that align with your purpose.

Action Step:

Develop a monthly budget within the allocations and review it weekly to stay on track.

MULTIPLY WHAT YOU'VE BEEN GIVEN
THE STOREHOUSE FACTOR

Step 5

Scriptural Reference: Genesis 41:35-36 (NLT) – "Have them gather all the food produced in the good years... That way there will be enough to eat when the seven years of famine come." In biblical times, storehouses were used to save and multiply resources.

Today, your financial storehouses must include:

1. Life Insurance – Your immediate estate and protection for your family.
2. Long-term/Retirement Investing – 401(k), IRAs, or other retirement funds to ensure future financial stability.
3. Emergency Fund – Set aside at least 6-9 months of living expenses.
4. Opportunity Fund – For investments that align with your purpose, such as real estate, business ventures, or investing in others.

Action Step:

Begin funding each of these storehouses, starting with your emergency fund, and then moving on to long-term investments and opportunity funds.

LEAVE A KINGDOM LEGACY ESTATE PLANNING

Step 6

Scriptural Reference: Proverbs 13:22 (NLT) – "Good people leave an inheritance to their grandchildren, but the sinner's wealth passes to the godly."

Estate planning is not just for the wealthy—it's for anyone who wants to ensure their assets are used for Kingdom purposes after they're gone. Wills, trusts, and power of attorney documents are essential to transferring your wealth and avoiding probate.

Action Step:

Start or update your will and consider setting up a trust to ensure your wealth is passed down according to your wishes.

TRANSFER OF WEALTH BEFORE AND AFTER DEATH

Step 7

Scriptural Reference: Deuteronomy 8:18 (NLT) – "Remember the Lord your God. He is the one who gives you power to be successful, in order to fulfill the covenant he confirmed to your ancestors with an oath."

Wealth transfer isn't just about death. It's about blessing others while you're alive. Invest in the next generation, mentor entrepreneurs, and make strategic gifts that align with God's Kingdom principles.

Action Step:

Identify opportunities to transfer wealth to others now, whether through business investments, charitable donations, or mentoring.

CONCLUSION

Stop begging Yahuah for financial breakthroughs and start taking radical stewardship action! These 7 steps, grounded in biblical principles, are your roadmap to financial freedom and Kingdom impact. When you align your financial life with the Word, Godly prosperity isn't a distant dream—it's a reality.
