Parent/Guardian Initials:

I understand this is a COMPETITIVE SOFTBALL PROGRAM FOCUSED ON PLAYER DEVELOPMENT. I understand that this player registration form does not create a formal agreement between club and player and there is no binding of player to the MARICOPA SANDLOT team or MARICOPA SANDLOT team to the player based on this form. I understand continued participation is based on the player's attitude, attendance, commitment & skill, accompanied by fiscal responsibilities of the parent/guardian to cover player dues/fees in a timely manner and keep players account in good standing.

I, as parent/guardian of the above-named participant, hereby give my approval for the player to participate in any and all Maricopa Sandlot activities. I understand that participation in softball is done so at our own risk, may result in serious injuries, and that protective equipment cannot prevent all injuries to players, and do so hereby waive, absolve, indemnify and agree to hold harmless the Maricopa Sandlot Club, its Board, coaches, volunteers, organizers, sponsors, participants, and other persons assisting or transporting the player to and from activities for any claim arising out of an injury to my player whether the result of negligence or for any other cause, except to the extent and in the amount covered by accident or liability Insurance.

Attendance

- Maricopa Sandlot coaches and volunteers invest a substantial amount of personal time to provide the best possible experience for our players... ***It is expected that parents and players make every effort to attend ALL practices, games, and team events, showing up in proper attire, ready to participate, by the designated time. If unable to do so, parents are required to contact the Head Coach in advance. Excessive tardiness and absences, excused or unexcused, may impact playing time and in extreme cases may result in suspension from play. This is not meant as a punishment but rather to encourage and reward players who are continuously present. Attendance will be tracked.***
- Most practices and games will be scheduled ahead of time and will be managed on the team calendar. Sandlot Families should reference the team calendar and schedule appointments, family outings, etc... accordingly. Parents must notify the head coach immediately upon learning of a school or family event that conflicts with the team calendar.
- Schedules are subject to change, usually due to unforeseen or uncontrolled circumstances and adjustments will be made in the manner that best suits the club/team should those situations arise.

Code of Conduct

- We are guided by The Golden Rule “...treating others as one wants to be treated.” All Maricopa Sandlot players, coaches, and families are expected, at all times, to display good sportsmanship and show respect for umpires/officials, opponents, teammates, coaches, parents, siblings, and other family & friends, as well as facilities and personal & team equipment.
- All persons associated with Maricopa Sandlot shall keep all comments positive and supportive of the team and players. Actions such as abusive, offensive, derogatory and/or profane language, creating unnecessary drama, stirring controversy, or spreading gossip will not be tolerated, and may result in suspension, or removal from Maricopa Sandlot.
- You are responsible for all family members and friends attending games. Please inform them of the code of conduct and expected behavior as they watch and support your athlete.
- Unless invited by a coach, only players, coaches and team administrators are allowed in the dugout or on the practice and game fields. Players are not to be instructed, interrupted, or distracted during practices and games. The time for that is afterwards. Allow coaches to have the players undivided attention during practice and game times.
- Line-Ups, positions, batting orders, strategies and playing time shall be controlled by the coaches.
- Maricopa Sandlot encourages an open relationship with players, coaches, and parents. Parents may email or message the head coach to set up a time to address questions or concerns. Coaches will not address such incidents directly following a game, tournament, or practice until a 24hr period has passed. This is to allow time for reflection by all parties.

Equipment & Uniforms

- Equipment & uniforms shall be handled with respect and appear clean and in good shape.
- Uniform combinations for Games & Tournaments will be communicated ahead of time via the team calendar to ensure uniformity. Players must wear the appropriate uniform and equipment at all times.
- Jerseys and shirts will be worn tucked in and game attire is not to be worn at practice.
- Field Masks are mandatory for all players.

Uniforms shall be purchased to ensure all players have team attire to match for all games and tournaments. Currently the cost for a set is \$129 (Subject to change based on supply chain availability and price adjustments) and includes:

Fundraisers

Fundraisers will take place throughout the year to help cover club/team expenses, increase exposure and awareness of Maricopa Sandlot, and foster team comradery, cooperation, and communication in working together to achieve a goal. When executed with intent and commitment, they can drastically reduce costs for the team and players/parents. Participation and/or attendance is mandatory if a “buy-out” is not available.

Birth Certificates

- A **copy** of your players Birth Certificates must be turned in to remain on-file with the team. This is for League Registrations and so it can be provided if a players age is ever brought into question at a tournament or during league play. If one is not already on file, please provide when submitting this form.

Monthly Dues

- Monthly Dues are to be paid by the last Friday of each month.
- Monthly Dues are invoiced according to the expenses incurred for the upcoming month such as League Fees and Tournament Fees that need to be paid ahead of attending those events.
- Failure to pay said dues by the due date will result in your player(s) being unable to participate in Maricopa Sandlot activities, including practices, games, and other team activities, until the fee is paid in full. If financial issues arise, please do not hesitate to contact me. I am open and willing to work with families that communicate, maintain open communication, and show a good faith effort to reconcile accounts. **Communication is the key.**
- Fundraisers will be held to help reduce the out-of-pocket expense for families. Participation is expected.
- Any and All dues paid, and money raised will be used solely to cover team/player expenses. This includes, but is not limited to; Field rental, Tournament Fees, League Fees, Team Equipment & Gear, Specialty Instruction (i.e. Pitching Instructors and/or Batting Instructors the team may utilize), Team Insurance Coverage, etc... Head Coaches, Assistant Coaches and/or administrators will not be paid for their time. This is done **FOR** the players, **NOT** for a paycheck.
- Families with multiple players will only incur One \$25 Field Fees charge each month.
- Practice Players are players that need further development to obtain a roster spot. They will never be turned away for wanting to better themselves and improve their skills to eventually make a team. They will attend practices to continue development but will not be rostered to participate in league or tournament play. They may be asked to fill in for League and/or Tournament play if needed, at no additional cost for that event. Practice Players will only incur the Monthly Field Fees cost of \$25 per month until they make a team and fill a roster spot, at which time regular Monthly Dues will initiate.
