CLUB MEETINGS (7:00 PM, 2nd Tuesday of each month)

NEXT DATE: November 10, 2015
PLACE: Ellendale Church of Christ, 7365 Highway 70
Memphis, TN (1 1/2 miles north of Hwy. 64 – Stage Road)
PROGRAM: DARC Club Officer and Director Elections for Calendar 2016

FCC Amateur Radio License Testing: Delta Club FCC testing sessions are held every month except December. Registration begins at 5:30 PM and testing begins by 6:00 PM. Please remember to bring two (2) forms of identification, at least one a photo ID, and copies of any existing licenses or CSCE’s you might have. You need to know your FCC Registration Number (FRN) if one has been issued. Please be on time for registration; this is to allow our Volunteer Examiner (VE) team to finish in time to attend the club meeting. 2015 test fee is $15 (cash or check). Individuals who successfully test for their initial FCC license grant at a Delta Club test session or through a Delta Club training class will receive a complimentary individual club membership for the remainder of the current calendar year; when they also show proof of ARRL membership. For more information, please contact:

Jeff Krause, AJ4GY - VE Liaison
Phone: 901-301-6776
Email: AJ4GY@comcast.net

Congratulations to our successful FCC licensing candidates at the October club meeting test session: Russ Chatham, KM4MUG; Thomas Mulcahy, KM4MWR (upgrades to Extra); James Barber, KG5AVJ (upgrade to General); Tommy Gossett, KM4OEI – Technician.

Please remember that there will be no FCC testing session at the December club meeting.
Joe’s been out trekking in the wilds of Florida, and apparently they don’t pump the internet in to wherever he’s at. If he were here, he’d no doubt want to remind everyone about the importance of our November meeting elections, and (of course) the exciting annual prize award drawings. Don’t miss the date – it’s a once a year thing!

Proposed Delta Amateur Radio Club Officers/Directors for 2016:

President:  Errol Hook, KK4PRV or Ken Laseter, KI4AOH
Vice President:  Michael Knight, KK4IOH
Secretary:  Ann-Barri Munday Green, WB4SWP
Treasurer:  Linda Laseter, KJ4CTX
Director of Training:  Joe Lowenthal, WA4OVO
Director of Publications:  Dan Lasley, NE7JN
Director of Programs:  Jim Cissell, KI4I
Director of Meetings & Special Events:  Steve Frazier, KK4VPT

Officers and Directors Present: Michael Knight, KK4IOH – Barri Munday Green, WB4SWP - Rick Tillman, WA4NVM – Joe Lowenthal, WA4OVO - Jim Cissell, KI4I - Jim Sheats, KK4VGL – David Webb, KV4QI - Bill Stevens, WC9S; also attending was club member Richard Martin, K4DXF

1. Meeting called to order by M. Knight at 7:00pm
3. October BOD meeting minutes – Motion to approve as posted in SPARKS newsletter by D. Webb, seconded by J. Sheats. Report approved by acclamation.
4. Support of the Delta Club Board was affirmed for a regional CERT Rodeo event being held at the Millington Fire Training facility at 5591 Dakar Street on November 14th. A copy of an event promotional flyer has been included in the November issue of SPARKS. All Delta Club members and general members of our community are encouraged to participate. B. Stevens and J. Lowenthal will man an informational booth on amateur radio for the general public. Other club members are invited to stop by the booth and assist in instructional efforts with the general public. All club members who are also CERT trained are welcome to register in the actual event exercises, and compete as individuals or teams for available prizes and bragging rights.
5. B. Stevens briefly discussed additional materials needed to provide internet access and allow improved technical access to club repeaters. Given that all improvements are well within the repeater budget already reviewed and approved by general club membership; there were no objections by Board members to J. Sheats motion – B. Stevens second to proceed with acquisition and installation of needed items at best possible speed.
6. It was unanimously agreed that New Ham of the Year, and Ham of the Year awards for the club would be made at the December club meeting.
7. J. Lowenthal reported that 12 people have already signed up for the Technician training class starting on November 9th. So far, only 2 individuals have signed up for the planned Extra training class – at least 6 people are needed, or alternate arrangements will be made.
8. R. Tillman noted that all Delta Club members who have not yet paid their 2015 dues should do so in November. There is no late quarter discount for existing member renewal fee of $20.
9. Move to adjourn made by M. Knight and seconded by R. Tillman. Meeting was adjourned at approximately 7:50pm.
1. President Joe Wray, WD4GXI - called meeting to order with attendee introductions.

2. September meeting minutes – Ham Hilliard, W4GMM- made motion to approve the minutes as published in the SPARKS Newsletter & Ken Laseter, KI4AOH - seconded. Minutes approved by member acclamation.

3. Treasurer’s report – H. Hilliard made motion to approve as published in SPARKS newsletter and Ned Savage, KA4BLL - seconded. Report was approved by member acclamation.

4. With Joe Lowenthal out of town, group was reminded to check SPARKS for upcoming training schedule. This month’s testing session resulted in 2 Extras, 1 General, and 1 Technician.

5. Bill Stevens, W9CS – updated status on antennas and repeaters for the club.

6. Reminder was given by H. Hilliard regarding Mid-South Amateur Radio Supply conducted wire antenna training class being held on October 17, 2015.

9. David Webb, KV4QI invited everyone to participate in the Great American ShakeOut Earthquake preparedness exercise being held 10/15/2015.

10. Art Barnett, WA4PSS; Dan Lasley, NE7JN; and Tom Dichiara, AC5MR were recognized and thanked for their outstanding work as the nominating committee for the 2016 Board of Directors election to be conducted at the November, 2015 club meeting.

11. Proposed Slate of Officers for 2016:
   President: Errol Hook, KK4PRV or Ken Laseter, KI4AOH
   Vice President: Michael Knight, KK4IOH
   Secretary: Ann-Barri Munday Green, WB4SWP
   Treasurer: Linda Laseter, KJ4CTX
   Director of Training: Joe Lowenthal, WA4OVO
   Director of Publications: Dan Lasley, NE7JN
   Director of Programs: Jim Cissell, KI4I
   Director of Meetings & Special Events: Steve Frazier, KK4VPT

12. Noted that drawing would be held in November with pot-luck dinner in December. Jack Parnell – long time ham known for his voice-over and DJ work will be special guest.

13. Russ Meyers, WD4JHD – presented slide show and spoke on repeaters - tuning cavities and stubs.

14. Motion to adjourn was made by H. Hilliard - seconded by B. Stevens; meeting was concluded with approval and orderly departure of attendees.
Thanks to Mid-South Amateur Radio Supply (www.msars.com) and the hospitality of event hosts Rosalinda Melena, W2NV – Steve Smith, W5VAA – and course instructor Ham Hilliard, W4GMM; an enthusiastic group of local amateur radio operators were able to learn more on the subject of wire antennas, with a bonus safety primer on the dangers of handling hot soldering irons and recently completed solder joints by “That’s hot!” Ham Hilliard. We look forward to getting not only great service and supplies from MSARS, but also to even more of these fun and informative training events!

Top photo – Ham Hilliard instructs – David Webb – KV4QI on right; continuing in second photo; seated from left to right on front row: Janet Kelly, KK4PRT - Joe Sanders, KM4JXS - Amanda Nash, KM4MSC – Mike Hefner, KI4YOR - Noe Longoria, K4NOE - Ray Cole, N5RLC
Many times we want to watch ham radio related videos and learn new things about ham radio. One great new source is called Ham Nation. It is an internet based video broadcast with Bob Heil (K9EID of Heil Sound), Gordon West (WB6NOA of W5YI license manuals) and lots of other Elmers. These programs show equipment in actual operation along with reports on ham radio. They have done over 200 shows so far. You can watch shows on YouTube by searching Ham Nation. They also have their own website; just go to Google and search Ham Nation, or go directly to URL www.hamnationvideos.info/. If you are looking for good ham radio entertainment check them out.

As hams we may need variable speed control for DC motors. This can be fan motors for cooling or positioning motors for our antennas. Motor control boards are now available on EBay for this purpose. I needed a board for a speed control of a DC motor. The board I found was for 12 to 48 VDC motors - up to three amps current. It included the completely assembled board along with a speed control dial. The connections are red (plus) and black (minus) to the battery, and a red/black pair for the motor connections. There are three wires (red, yellow, blue) to the control knob with its own connector. This was bought for under $2.00 with free shipping. The board works well on the test motor I have hooked up to it and is ready to go for motor control projects. Go to EBay and search “motor speed control board” to see what is available.
There is no charge for classes, but the student is responsible for the purchase of the license manual and the $15 ARRL FCC examination fee.
