

JWJ CATHOLIC ACADEMY ADVENT KID'S CORNER

The Hope Candle is the first candle we light during Advent, and it helps us remember that Jesus is coming. This candle reminds us to be hopeful and excited for His arrival, just like waiting for a special gift. The Hope Candle shines bright, showing us that even when things are hard, we can trust that Jesus brings us peace and love. It's a time to think about all the good things Jesus does for us and to look forward to Christmas with joy!

DEAR GOD,
HELP ME TO PREPARE
FOR YOUR SON'S COMING.
I REPENT ALL OF MY SINS
TO BE PURE.
