PAID STIPEND, TUITION TRAVEL, and MORE!

The National Defense Science and Engineering Graduate (NDSEG) Fellowship Program is charged with increasing the number of United States (U.S.) citizens receiving doctoral degrees in science and engineering (S&E) disciplines of military importance. Applicants compete for Fellowship opportunities listed under DoD's Broad Agency Announcements (BAAs) in research development.

AGENCIES AND DISCIPLINES SUPPORTED

The DoD is excited to welcome the United States Space Force (USSF), to the NDSEG program. The USSF has added Astrodynamics, Space Physics to the research disciplines. The DoD NDSEG Fellowship Program was established in 1989 by direction of Congress and is currently sponsored by the U.S. Army, U.S. Navy and U.S. Air Force.
