

# Bellevue East High School Percussion Chop Building!

**WHO:** Open to students who would like to try out for the award winning Bellevue East High School Drum Line and Front Ensemble for the 2018 – 2019 academic year.

## What is Chop Building?

Chop Building is a series of practice sessions that give students interested in trying out for the percussion section an opportunity to learn and develop technique and musicianship to use for a high level performance.

**WHEN:** **Mondays 5 – 7:30 pm** starting on February 5 and continuing through May 21.

**WHERE:** **Bellevue East High School Band Room** 1401 High School Drive, Door 30.

**WHY:** Playing and performing with a refined technique and a high level of musicianship is important for the continual success of the Chieftain Marching Band and percussion section. Chop Building will provide you the opportunity to meet and work with the percussion instructional staff to develop your technique and musicianship for performance excellence.

**COST: FREE!**

Please bring a pair of drumsticks and a practice drum pad (if you have one).
