# *A Soul's Journey to Egypt – A Path to Remembrance*

April 1st - 12th, 2026

Hello Soul Fam,

We are super excited for our next pilgrimage into the heart of ancient Egypt, a land alive with the whispers of our ancestors and the secrets of the ancients.

This pilgrimage is unlike any other. While many travel to visit temples and pyramids, we will ascend the sacred heights of Mount Sinai, where ancient sages once walked, meditated, and received divine wisdom. Here, the energy of millennia lingers, and those who climb this holy mountain are touched by a profound connection to timeless knowledge and spiritual awakening.

From the majestic Pyramids of Giza and the mystical King's Chamber, to the temples of Luxor, Abydos, Dendera, Valley of The Kings, the Isis Temple in Aswan, Abu Simbel and so much more! Each day is designed to awaken your soul, activate your heart, and reconnect you with the wisdom encoded in the Nile, the stones, and the stars themselves.

This is more than a journey — it is a soulful return to yourself, a pilgrimage into remembrance, a chance to walk in the footsteps of those who came before and awaken the codes that have always been within you.

Prepare to open your heart, expand your consciousness, and step fully into the magic, mystery, and luminous remembrance of Ancient Egypt.
