- CONTINUOUS IMPROVEMENT

Explore

Scire helps clients identify challenges facing their organizations and explore an expansive list of innovative solutions.

Design

With a vision in mind, Scire's strategy and organizational design experts work with leaders to define the future organization.

Mature

Scire implements the tools and processes to make the change stick and mature the organization to achieve desired outcomes.

Build

Scire's consultants build and execute a plan to deliver the future state, engaging everyone who plays a role in achieving success.

STRATEGIC PLANNING

Leading organizations through environmental scans, idea generation, future state definition, and top down, bottom up analyses to define vision, mission, value proposition, goals, objectives, strategies, tactics, and solution alternatives.

- Strategy Development
- Action Planning
- Facilitation
- Maturity Modelling

CHANGE MANAGEMENT

Helping organizations achieve organizational transformation, business process improvement, and cultural change by tailoring proven change management models. Providing change management, project management, strategic communications, and training capabilities to enable successful change.

- Organizational Assessment
- Stakeholder Management
- Leadership Coaching
- Training

PROJECT MANAGEMENT

Implementing portfolio, program, and project management best practices that identify and track the execution of activities to meet plans, goals, objectives, and operational requirements. Managing activities from inception to closeout, while ensuring clear, systematic processes are used to monitor activities, issues, and risks.

- Portfolio Management
- Project Management
- Project Rigor & Scheduling
- Risk Management

STRATEGIC COMMUNICATIONS

Identifying communications strategies in support of achieving organizational goals and objectives. Engaging key stakeholders and target audiences, creating meaningful messages, recommending effective communication channels, implementing tactics, and measuring effectiveness of the communication efforts.

- Communications Planning
- Material Development
- Stakeholder Engagement
- Executive Coaching
- Presentation Support

PERFORMANCE MEASUREMENT

Developing effective performance metrics to communicate critical information to leaders for informed decision making and improved operational performance. Supporting data validation and conducting data analyses to ensure integrity of the measurement data.

- Measure Development
- Dashboard Reporting
- Data Validation

CONTINUOUS IMPROVEMENT

Helping clients achieve significant gains in process performance by improving data integrity and leveraging a collective body of scientific approaches proven to eliminate waste, reduce variation, and mitigate bottlenecks.

- Kaizen Events
- Lean Six Sigma Studies
- Business Process Re-Engineering
