

There's nothing quite like buying local when it comes to fresh produce, meats, baked goods and other items. Growers, farmers, and producers within our community select and make their finest products for our customers to enjoy. Your support of their efforts directly helps create a sustainable market and cultivate the local economy.

The Downtown Terre Haute Farmers' Market is dedicated to helping our local community. The market is located in beautiful Downtown Terre Haute on Clabber Girl's property. It is a wonderful opportunity for consumers to spend some quality time with friends and family. Our market is a grower/producer only market, consisting of vendors within a 100 mile radius of Terre Haute.

Upcoming Events/Initiatives:

The Downtown Terre Haute Farmers' Market is committed to continuing to serve Terre Haute and the surrounding community with farm-fresh and locally made foods and crafts.
