

## About us

*We are a local company with an emphasis on customer care, quality and value for money, aligning ourselves fully with the needs and values of our customers.*

As well as having a vision to be your contractor of choice, we aim to employ local people & use local suppliers where possible with a commitment to reducing our environmental impact.

Established in June 2019, we have seen our business grow year on year, delivering a range of successful projects for our clients.

We thrive on pushing boundaries, exceeding expectations, and delivering quality & value.

Our commitment to continual improvement extends to investing in our dedicated and growing team of professionals through training & development.

We believe in providing a safe environment for everyone whilst we undertake construction projects.

We hold 3 SSIP accreditations - **CHAS Elite**, **Safe Contractor** and **Builders Profile** for Health & Safety, meeting the PAS91 requirements for an SME Construction Business.

We are also an approved fire door installer certified by the **UKFDT** (UK Fire Door Training).

## Commitment to quality
