

OUR CHARITY PARTNERS

We are proud to support charity partners through our work as an organisation. We set-up as a not for profit, therefore any surplus we generate is given directly to our charity partners that are doing exceptional work on the ground in Ukraine.

Providing Urgent Assistance to Ukrainian Families

MAD Foundation's Operation SafeDrop has been working on the ground in Poland and Ukraine since early March 2022 to assist and support Ukrainian families fleeing the conflict.

Co-ordinating international humanitarian aid

The Glory to Ukraine Charitable Foundation has been established as an official partner of the Verkhovna Rada of Ukraine to assist the Armed Forces of Ukraine, the Territorial Defense of Cities, civilians and refugees affected by the war.
