Dear Ken,

Thank you for taking the time to write to me. I appreciate you taking the time to share your thoughts with me. Your valued feedback allows my staff and I to better understand your concerns and advocate on your behalf.

Thank you for sharing information about the Coalition for Canadian Police Excellence and your work on enhancing police training through social competencies. I will ensure a copy of your letter is provided to my colleagues who work on the Public Safety file, so they are aware of this initiative.

Thank you again for writing. My office remains available should you need assistance with any federal matters in the future. We can be reached by email at: lianne.rood@parl.gc.ca, or by phone: Strathroy; 519-245-6561. My team and I are honoured to serve you.

Sincerely,

Lianne Rood

Subject: Support for enhanced police education

Dear Ms. Rood,

I am writing to make you aware of an initiative undertaken to enhance the skills of police through deeper education in social competencies. I have attached a brief letter of introduction to the Coalition for Canadian Police Excellence organization. I hope you find this informative and I would be happy to answer any question you or your staff might have.

Thank you for your considerations;

Sincerely,

Ken
