Dear Sem Ponnambalam:

Thank you for your email dated May 24, 2026, to the Premier regarding the Coalition's perspectives on advancing policing education and professional standards in Canada. Your correspondence has been forwarded to me for response.

I appreciate the time and effort that went into preparing this comprehensive document, as well as your commitment to contributing to ongoing conversations about policing, public trust, and community safety. The information provided, including the proposed approach to a nationally coordinated education framework and the emphasis on ethics, community engagement, and evidence-based practice, has been carefully noted.

At this time, the Ministry of Community Safety is not in a position to engage further with the proposed initiative. However, we value the insights you have shared and thank you for bringing this work to our attention.

Please accept my appreciation for your continued interest in strengthening policing and public safety in Canada.

Sincerely,

Honourable Michael Weger
