

Founder • Head Coach • Referee • Player

Bryan's rugby journey began in **1985**, launching more than four decades of involvement in the sport as a player, coach, referee, captain, and club leader. His rugby career has taken him across the United States and internationally through both military and civilian rugby, including time with the **Gulfport Land Sharks, Scott Rowdies, Moosemen, Tempe Old Devils, Western Suburbs, WSRFC Old Boys, Woodlands RFC, and Falcon Youth Rugby Club.**

Throughout his career, Bryan has competed at numerous levels and events, including **Military Nationals, Air Force Select Side, Southern Conference Selects, Hawaii International Rugby Tournament, Arizona State Championships, West Coast Division I Regionals, PRU Division II & III Championships, and Texas State Youth Championships.** He also continues to support major rugby events, including the **Savannah St. Patrick's Day Rugby Tournament** and **Florida Tropical 7s.**

Today, Bryan is the **Founder and Head Coach of Falcon Youth Rugby Club in Lakeland, Florida,** where he works to grow the game and provide young athletes with an inclusive environment centered on teamwork, discipline, respect, sportsmanship, and a lifelong love of rugby. In addition to coaching, he remains active in the game as a **rugby referee and player,** bringing more than 40 years of experience to the pitch.

Bryan has held numerous rugby leadership positions throughout his career, including **CEO, President, Vice President, Team Captain, Head Coach, and Assistant Coach.** His rugby education includes **USA Rugby coaching certification and rugby referee training,** with continued professional development as both a coach and match official.

A **retired U.S. Air Force officer and Gulf War veteran,** Bryan brings the same principles of leadership, service, accountability, and teamwork from his military career to the rugby community.

Away from the pitch, Bryan is the proud father of **twelve children,** with boy-girl twins being the youngest. Despite more than four decades of rugby behind him, retirement from the game still isn't part of the plan.

His goal remains simple: keep playing rugby until age 65—or until the Guinness runs out.

One Team. One Family. One Game. 🏉
