FALCON YOUTH RUGBY

Why Rugby?

Rugby is arguably the greatest sport to teach camaraderie, sportsmanship, and relentless respect for your team, your opposition, officials, and fans. The vast majority of those who play rugby find a passion that they cannot ignore and a brotherhood that serves them for life. The Rugby culture facilitates and demands all participants to act within the guidelines of this culture. Living and playing in this culture influences one's actions on and off the field and strengthens the character of its participants.

The 2024-2025 Practice Schedule will be posted on the website (www.falconyouthrugby.org) and SportYou.com.

U6 – Only the Jersey is required for \$65, and any black soccer shorts and black knee-length socks (falcon socks may be purchased for \$15).

Fundraising

Falcon Rugby will be having several fundraising events throughout the season. We will be having several spirit nights at local restaurants during the year. Athletes can sign up to assist and wear either the practice or tournament uniform.

Other fundraising activities will include online fundraising that will be shipped directly to the purchaser so the families do not have to deliver goods and out-of-town family/friends can participate.

Fundraising is for team equipment, not individual athletes.

Additional Information

Athletes are required to attend all practices for their age group. Athletes missing practices the week before tournaments will not start.

U-10 and above are required to have mouthguards. These are mandatory for practice and tournaments. If you show up for practice without your mouth guard you will not be able to practice. If you do not bring your mouthguard to a tournament, you will not play.

Parents are required to remain at the pitch for both practices and tournaments. If you have another adult designated (not an older sibling) please get with Coach and Janet for a release form. Your designated adult would be required to accompany your athlete for any medical care if required.

The Sundays after any tournament, U-10 and above, will be a **required conditioning practice**. Athletes need to purchase a set of resistance exercise bands (can be purchased on Amazon starting at \$12).

Falcon Rugby will be attending tournaments that are not in the Houston area. All athletes and their families are responsible for their travel expenses. We will attempt to stay in the same hotel, but this is not required. Out-of-town tournaments will include Tampa 7's. You are required to travel with your athlete unless you have a signed release for another adult to be your guardian for the weekend.
