

Joseph L. Child

I bring 27 years of experience in sales, marketing, management of territory, branch, corporate and business ownership operations in the mortgage and finance industry to your transaction. Over 1,000 families and a quarter billion dollars in successfully settled residential home loans – just like yours, are a part of my business legacy. I am excited to help you explore mortgage options today with a closer look at “your numbers”.

I have held executive and board positions in industry associations furthering and co-authoring Maryland State licensing, legislative and national industry concerns on behalf of clients & consumers across the country. Along the way I have forged time tested relationships with my customers, with business owners, and with industry and community leaders who now include me in their "trusted adviser" circle.

I guarantee I will show you financing options you may not have considered before, that could make all the difference in the world. Call or E-mail me today for your very own financial check-up.

Joe is proud to approach his business as a Lending Integrity certified mortgage broker.
