

Leanne Thompson School of Dance Additional Class Rules and Regulations in response to COVID-19

*Dancing back to our classes in venues **safely**.*

These additional class rules and regulations have been put in place to maximise the safety of you and your child at your babyballet® class or activity, considering the Coronavirus pandemic. We understand that you and your child are adjusting to a new way of life, just as we are too... So please, read this information very carefully and abide by our new rules to ensure that all our LTSD dancers can still enjoy their class or activity in the safest way possible.

We ask that you please ...

- Ensure you have signed your waiver form. You will not be allowed to attend class if you have not signed it.
- Arrive no earlier than your class time. Our waiting rooms may be out of bounds or limited.
- Do not enter the venue before instructed to do so.
- Where applicable, follow the one-way system in our venues.
- Use the handwashing and sanitizing facilities provided upon entrance and exit of the venue.
- Bring your child dressed and ready for class. Unfortunately, at this time we cannot facilitate the changing of uniforms etc. in the venue.
- Ballet shoes or soft slippers with suitable grip are a REQUIREMENT and can be changed in the venue if needed. As above, where possible, please bring your child in full uniform. Furthermore, please understand that unfortunately we CANNOT allow children to dance in bare feet at this time.
- Know that your child will not be required to wear a face covering during their Leanne Thompson School of Dance class, and as per guidance from Public Health England we do not recommend face coverings for children under 3 for health and safety reasons.
- Know that it is compulsory for all adults to wear a face covering within the venue.
- Follow the additional guidance outlined by the venue when arriving and leaving your LTSD class.
- Limit the number of items you bring to your LTSD class or activity IE 1 bag per person. But where possible, please leave all other items including bags in the car.
- Furthermore, we cannot accept any spectators or other family members.
- Try to take your child to the toilet before you leave the house. We understand this is not always going to be possible but would appreciate your efforts. Where toilet facilities are out of bounds in a venue, we will let you know in advance. Where toilet facilities are still available, please adhere to the guidance specific to that venue.
- Take guidance from the class teacher of when and where you and your child should sit to get ready to start the class.

- Keep a safe social distance from your class teacher and other customers where possible.
- Together, we can always teach our LTSD dancers to respect those around us and be kind but please accept responsibility for your child.
- Leave the class and venue promptly. Please understand we must prepare for the next class and respect that your class teacher is working hard to do this.
- Look forward to your LTSD class and know that these changes are for safety, but we are still looking forward to providing the dance experience that you are accustomed to.

Your agreement with us:

I hereby agree to comply with all new rules, regulations, terms and conditions for participation in the Leanne Thompson School of Dance class or activity. Furthermore, I understand that any additional rules and guidelines may be implemented for the safety of myself, my child, and all other customers. Any additional rules will be communicated verbally and/or emailed to me.
