NOTES FROM LA CASITA

If your love for Texas bar-b-que is as big as mine then you need to try @bentleysbatch5 Bloody Mary Mix and sauces. The line is a State Fair of Texas classic and the Dallas based company owned by Harold and Gail Green have been sharing their sauces and mixer with family and friends for years.

DIRECTIONS

Mix Bentley's and La Casita in the blender first for a smooth blend.

Pour mixture over ice, stir, add garnish, and enjoy.
