Our Department donates \$100.00 every month to the 7 VA Centers and both VA Hospitals located in Oklahoma for a total yearly donation of \$10,800.00. Also, Department donates \$1,500 to the Buddy Fund for the annual Christmas VA&R Tour where each veteran is given a \$1.00 bill and a Christmas card. Even with all units pledging \$60 per year, that still leaves a deficit of \$6,300 that Department pays yearly. Any donations made by units to the General VA&R Fund will be used to help offset these costs and will be greatly appreciated.

1. **\$60.00 VA&R** - Our Department donates \$100.00 every month to the 7 VA Centers and both VA Hospitals located in Oklahoma for a total yearly donation of \$10,800.00. Also, Department donates \$1,500 to the Buddy Fund for the annual Christmas VA&R Tour where each veteran is given a \$1.00 bill and a Christmas card. Even with all 100 units in Oklahoma pledging \$60 per year, that still leaves a deficit of \$6,300 that the Department must cover.

Any donations made by units to the General VA&R Fund will be used to help offset these costs and will be greatly appreciated. If you want to specify a certain center or hospital to receive a donation, please indicate the name and amount of your donation under the Non-Mandatory Contributions section of this form and those funds will be directed to that facility.

2. **\$23.00 Office Overhead** – As everyone knows, the cost of running a not-for-profit business is increasing yearly. Insurance (including earthquake, building, liability, and officer bonding) have all gone up drastically over the past 3 years. Combined with the insurance increases are increases in paper products, business equipment, building maintenance, etc. - we find ourselves in need of a little support from the units.

Additional donations can be made to the Department General Fund, the Department President's Fundraisers, and the Department Scholarship Fund. Please include the amount of your donation under the Non-Mandatory Contributions section of this form. NOTE: Donations to the Department Scholarship Fund will be used exclusively for that purpose.

3. **\$7.00 Unit Bond** – This is the cost that Department pays National for the Unit Bond for all Units in Oklahoma. The amount of this pledge is to reimburse Department for that expense. This bond covers every member in each Unit who is authorized to handle money.

We now have the capability of receiving payment for Mandatory Contributions by credit/debit card. If you choose to use this payment method, please provide the following information.
