To whom it may concern,

The **“Gifts For Yanks”** program started so our hospitalized veterans are remembered. We solicit donations each year to give gifts to our veteran patients & residents at the two (2) VA hospitals and six (6) VA centers in Oklahoma.

Applause to your high school for keeping this program alive for 79 years at the OKC VA Hospital!

We are making a contribution to the El Reno High School **“Gifts For Yanks”** program to help your students buy gifts for the Oklahoma City VA Hospital. Your gifts make a real difference in the lives of veterans and their families. Your ability to bring gifts and joy to these individuals by using one of our mission-related programs is great! Because of you, and others, the American Legion Auxiliary Department of OK continue to meet the needs of our veterans, military, and their families.

In the spirit of *Service Not Self*, the mission of the American Legion Auxiliary is to honor the sacrifice of those who serve by enhancing the lives of our veterans, military, and their families both at home and abroad. For God and Country we advocate for veterans, educate our citizens, mentor youth, and promote patriotism, good citizenship, peace and security.

On behalf of the American Legion Auxiliary Department of OK, we thank you for what your school does each year. Your participation in the **“Gifts For Yanks”** program is a wonderful example of how you continue to support our effort to care for those who protect our freedom and for that we are most grateful.
