WORKSHOPS

WHY ART/NOW

- TEATRO BELLINI (NAPOLI)
- TEATRO DEL SALE (CAGLIARI)

A workshop for actors and non-actors which focuses on games, exercises, and improvisations which make use of theatre as a lens through which we seek new perspective on the world around us, specifically pointed at societal or personal humanistic concerns. Its aim is theatre as the dissemination of empathy.

ON THE INVISIBLE LIGHT

- ACCADEMIA NAZIONALE DI ARTE DRAMMATICA SILVIO D'AMICO

Theatrical analysis of T.S. Eliot's "Choruses from the Rock", positing theatre as "the visible reminder of Invisible Light", as communal passage, with its foundations in storytelling and ritual, as well as ancient reverberations of the language of gesture and monument.

COMMUNICATION IN THE MIDST OF SOLITUDE

- ACCADEMIA NAZIONALE DI ARTE DRAMMATICA SILVIO D'AMICO

Tracking the progression of verbal and non-verbal communicative forms through history, improvising to discover how each progression responded to a need in the time and world around, and trying to devise a notion of what is, and what is not, communication.
