## SEAFOOD MUSIC & BREWS

The Fourth Annual Ceviche Chow Down is back and bigger than ever, returning this year with an exciting new waterfront location at Channel Islands Harbor in Oxnard, California. This beloved Seafood & Brew celebration brings together incredible ceviche creations, refreshing beverages, live music and the vibrant coastal spirit of Southern California for an unforgettable afternoon by the harbor.

## CEVICHE CONTEST

At the heart of the event is the Ceviche Contest, where talented chefs showcase their signature recipes in a friendly culinary showdown. Guests have the delicious responsibility of sampling the entries and casting their votes for their favorites. At the end of the day, one chef will be crowned Champion, earning bragging rights and the coveted title of Ceviche Chow Down Winner.

Since launching in the summer of 2023, the Ceviche Chow Down has quickly grown into a local favorite, drawing seafood lovers, craft beverage enthusiasts, and community supporters alike. With its move to the scenic waterfront of Channel Islands Harbor, this year's event promises an even more vibrant and memorable experience.

## BEHIND THE MISSION

More than just a food festival, the Ceviche Chow Down serves a meaningful mission. The event raises funds for Mission FISH, a nonprofit organization dedicated to providing fishing therapy trips for Veterans, Active Duty Military, First Responders, and Gold Star Families. Proceeds help support Operation Anacapa 2026, Mission FISH's 11th annual fishing trip that provides more than 100 heroes a day of Fishing, Interacting, Sharing, and Healing on the water.

*With fresh seafood, great drinks, community spirit, and a beautiful harbor setting, the Fourth Annual Ceviche Chow Down is set to be the best one yet.*
