

CEVICHE

Chow Down

HELP WITH OUR MISSION

The Ceviche Chow Down is a fundraiser for **MISSION FISH**. The Purpose of Mission FISH is to organize and plan fishing day trips and provide therapy for PTSD and TBI for Veterans, Active Duty Service Members, First Responders and Gold Star Families.

Studies have shown that Fishing has mental health benefits. Being in nature can improve your mood and also has positive long term effects on depression and memory. We bring together participants who could be in need of interacting with others while sharing a day together, building friendships and self-esteem.
