

12TH ANNUAL SOUTHEASTERN REGIONAL TEACHERS' WORKSHOP

November 4 - 6, 2022

Sugar Creek Church of Christ
3932 Sofley Road Charlotte, N.C. 28206

Greetings in the name of Him who hold all life in His hands.

This year will mark our 12th annual Teachers Workshop and we are preparing for a monumental program. Our theme is "21st Century Evangelism".

With new issues of great concern facing the church, we want to equip our teachers to embrace the wisdom of God as we embark upon some uncharted territories.

Our principle scripture is Rom.10:1-4, "21st Century Evangelism".

Get ready for the First Saturday night Teacher's Banquet. Teachers will be recognized for all that they do.

Please do all you can to be a part of this important workshop. Bring all your teachers and would be teachers, we must pass the teaching torch onto the next generation.

We need a meaningful fellowship to once again normalize our lives and we believe the Teachers' Workshop can be the tool. While following the CDC health guidelines and God's blessings, we look forward to having a great program.

Hope to see you there. Your presence is paramount to our success.
