

Ballet, Tap, Jazz, Hip Hop
Classes from Pre-School to Adult

March 1, 2020

To Whom It May Concern,

We are writing on behalf of the nonprofit portion of our dance school, Reflections School of Dance. Our school includes a pre-professional Dance Company in training and works to educate many younger dancers who would like to be involved with the Company in the future. Our Emerge Dance Company, Revolution Dance Team, and Dunamis Crew, do community service projects and dance performances locally, and envision taking their talents abroad to share art and talent, especially in communities less fortunate than ours. We also have recently performed locally at Mill Creek Festival, Kla Ha Ya Days, Alderwood and Everett Malls, Warm Beach Lights of Christmas, and other events.

One of the ways we accomplish our goal of raising awareness about our mission and plans for the future is by holding a large end of the year event. Our Benefit Dance Performance this year is our "**Celebrate Life**" **Benefit Concert April 25th, 2020, at the Snohomish PUD Auditorium in Everett. This year's performance will benefit "Dancer's Against Cancer", "Guide Dogs For The Blind", a potential California Trip Summer 2020, as well as our dance scholarship fund for talented individuals in need & our dance outreach program.**

We are presently contacting a few local businesses to request financial support or gifts in kind to help off-set the costs of putting on the event. Any financial gift will be applied to the event costs, rental of the performance facility, or printing costs. Once those costs are covered, additional funds will go directly toward our charity, outreach and scholarship fund.

As a small token of our appreciation, we can offer an exchange of advertising for you and acknowledgement of your organization's generous support in our program. Suggested amounts are \$50 for a line listing and over \$100 for a logo or a larger listing. You may also request complimentary tickets to the show from us if you desire. Contributions could also be given in the form of goods or services that we might auction off in our silent auction. Gifts for the event could be in the form of advertising or doing an article about us.

To learn more about our event, please visit the Facebook event page.

For more information about contributing, please see the attached forms. If you have any questions at all please do not hesitate to contact us.

If you would consider contributing it would be greatly appreciated.
Thank you very much for your time and consideration.

Sincerely,

Len & Debbie Wiens
Directors

**Guide Dogs
for the Blind**

The Outreach Arm of Reflections School of Dance works under the auspices of the 501c3 Non Profit "Youth Unlimited". Our EIN Number is 91-1641479.
