

I would also like to thank Pastors Nate and Michelle Wolf for unknowingly being a strength to us this difficult year to hold on to the vision that has been set before us. We are seeing only the beginning of a dream come true!

Dancers, I love you very much and thank both you and your families for sticking with us. You have improved dramatically this year and it makes my heart very happy!

I want to say a special thank you to Len, Madison and Zoe for allowing me the freedom to have the most awesome job in the world. I know that you sacrifice for me to do this and I appreciate you very much!
