

The table below reflects dates in descending order reflecting the timeline along with details of past opportunities.

#	Company	Location	Client	Project / Program	Project / Portfolio Values	Position	Start	End	Industry	% In Field	Description of Work
1	<b>SRP (Surface Rock Projects)</b>	Clearwater, BC Manning Park, BC Calgary, AB	Tesla	TESLA SUPERCHARGER  Various Special Projects	\$ 1,000,000	General Superintendent	09/2023	12/2023	Commercial / Industrial	100%	Demonstrated leadership in overseeing all aspects of construction for multiple retrofit projects across Calgary, leveraging expertise in concrete and civil work. Successfully executed the installation of two Tesla charging stations in British Columbia, ensuring high-quality construction throughout all project phases in accordance with project plans and specifications.
2	<b>Oconnor Ltd</b>	Calgary, AB	INCAN GROUP  JAYMAN BUILDERS	-Nolan Hill Lot 8 - Canmore 4Plex's - Siouxlook Out Dairy Queen  - Mahogany / Seaton Homes New Development	\$ 9,400,000	Director / Owner	04/2021	04/2023	Commercial/ Residential	80%	Secured and managed over \$9 million in construction contracts across the commercial and residential sectors. This included a complex 19-unit commercial build encompassing a Petro Canada Gas Station in Calgary, AB, along with diverse projects like a 4-unit commercial build in Sioux Lookout, ON, and multiple residential developments including 2 fourplexes in Canmore, AB, and 6 single-family units in Calgary, AB.
3	<b>AECOM</b>	Calgary, AB Red Deer, AB	Shell	Shell Retail Gas Station Program	\$ 26,000,000	General Superintendent	08/2016	03/2021	Commercial	90%	I functioned as the on-site leader, overseeing all administrative and technical aspects. This included developing and maintaining the project schedule, cost control measures, and quality assurance/quality control (QA/QC) programs. Leveraging my leadership skills, I supervised AECOM's workforce and subcontractors, ensuring adherence to project plans, budgets, and safety protocols as outlined in the company's HS&E standards. Proactively tracked project progress, identified potential cost overruns, and collaborated effectively with architects, engineers, and other stakeholders to develop solutions for work delays and unforeseen circumstances. I managed up to 100+ workers and successfully completed 5 Shell Retail Gas stations all within budget and schedule. Also completed a McDonald's building attached to one of the Retail stations. Total projects value \$26+ Million
4	<b>Anthem Properties</b>	Calgary, AB	Anthem Properties	STEPS Project	\$ 300,000,000	Superintendent	05/2016	08/2016	Commercial / Residentail	100%	Led a collaborative team to successfully excavate a three-level underground parking lot and construct a six-level superstructure for three towers in the STEPS Projects, a prominent downtown Calgary development bordering the Bow River. This complex project demanded meticulous scheduling and coordination. I oversaw weekly subcontractor meetings and meticulously crafted a comprehensive plan encompassing all phases of construction, including rebar placement and concrete forming and pouring for the massive underground structure. My expertise in water mitigation proved crucial, ensuring construction proceeded smoothly despite the project's proximity to the river. Furthermore, I ensured the safe and proper installation of tower cranes, which were instrumental in delivering materials throughout the construction process. Project Value \$300M+
