**[A word from the President](#)**

The apricot statistics data indicated in this page concern the apricots produced by major grower countries who are in trade relations with France. All data is official and confirmed by the French Ministry of Agriculture and the Statistical Division (FAOSTAT) of the Food and Agriculture Division of The United Nations (FAO). Turkey is the world's largest apricot producer. France is the largest apricot exporter among the EU countries followed by Spain, Italy, Turkey and Greece.

The production, import and export volumes are in metric tons (MT)
