### [A word from the President](#)

The production, import and export statistics data indicated in this page concern the production of the major grower countries. All production, export and import data is official and delivered by the French Ministry of Agriculture and the Statistical Division (FAOSTAT) of the Food and Agriculture Division of The United Nations (FAO). Italy, New Zealand and Chile are the world's largest kiwi fruit producers and exporters.

All the production, import and export volumes are in metric tons (MT)
