Source : French Ministry of Agriculture

Germany has been the largest orange importer among the EU countries during the past ten years. The European Union countries imported 2,6 million MT of oranges in 2001. The orange import volume of the EU-27 countries in 2010 reached 2,9 million MT. For the first time, Netherlands became Europe's largest orange importer in 2010 with more than 530 000 MT of orange imports, followed by Germany (504,600 MT) and France (458,721 MT). Spain is the largest orange supplier of the European Union. In 2010, France imported 70 per cent of its oranges from Spain (320 000 MT). South Africa supplied 11 per cent of the French orange imports (53 845 MT) while Tunisia supplied about 5 per cent of the French orange imports (22 596 MT). In 2010 France imported 3,3 per cent of its oranges from Morocco (15 274 MT) while Italy supplied only 2,5 per cent of the French orange imports (11 888 MT). Among the other suppliers of France we can mention Argentina, Netherlands, Egypt, Portugal, Uruguay, Colombia, Cuba and Turkey. France imported 410 887 MT of oranges in 2011 (mostly Spanish, South African, Tunisian and Moroccan oranges). By the first of June 2012 (January to June 2012), French orange imports reached already 263 992 MT (219 755 MT of Spanish oranges, 16 740 MT of Tunisian oranges, 6 618 MT of Italian oranges, 6 061 MT of Moroccan and 4 936 MT of Portuguese oranges).

By the 1st of August 2013, France had already imported (January to August) 290 379 MT of fresh oranges.

[A word from the President](#)

The production, import and export statistics data indicated in this page concern the production of the major grower countries. All production, export and import data is official and delivered by the French Ministry of Agriculture, EUROSTAT and the Statistical Division of the Food and Agriculture Division of The United Nations (FAO). Brazil is the world's largest orange producer followed by U.S.A, India, Mexico, China, Spain, Italy and Egypt. Spain is the world's largest orange exporter followed by South Africa, U.S.A. and Egypt.

All the production, import and export volumes are in metric tons (MT)
